

ALTECO Executive Team 2023 Plan/Projections

Drafted and Presented by Chris and Tina Ferry

- **2023 Projected Theme/Objective:** Strengthening Connections and Understanding
 - ALTECO/MTO Team - Maintain and deepen connections with our team in North and South America: ETO, TransAmazon Network, ALTECO Team and Board
 - Partner Organizations and Churches: Re-Connect with past partner organizations and key partner churches and deepen connection/understanding/facilitate better partnership
 - ALTECO Donors and Followers: Maintain regular communication while broadening visibility and understanding of the ALTECO mission and vision
 - Encourage and facilitate opportunities for spiritual growth and well-being amongst our team/co-laborers. Create a culture that encourages connection with the Lord, listening to His voice and abiding in Him as we serve together
- **ALTECO Personnel**
 - Administrator: As we seek to be more proactive and effective, we need more margin in the administrator role. Viki is currently working 20 hours/week and we hope to increase her hours to 24 hours/week in 2023. The current hourly rate for admin is \$25/hour.
 - Short Term Team Coordinator: In line with our goal to engage existing and new partners and to support our teams and their projects on the ground we believe facilitating short term teams is vital. Greg and Jamie Stuckey have volunteered their time to serve as short term team coordinators for key ALTECO partner churches. In 2023 we aim to facilitate 3 short term trips - 1 vision trip for First Baptist of TN and 2 project-based trips. In an effort to plan for long-term sustainability we plan to invite a long-time ALTECO Partner, Laura Stokes, to shadow the Stuckeys on a volunteer basis as they facilitate the teams in 2023.
 - Bookkeeper: Kris Van Wormer continues to do a great job as ALTECO bookkeeper. She was hired because of her vast bookkeeping experience and knowledge of non-profit management. In an effort to build depth within our team and free up Kris to support the Executive Team in the areas of non-profit compliance, policies and seeking grants from foundations we plan to hire an entry-level/junior bookkeeper, supervised and working alongside Kris, to provide basic data-entry and bookkeep-

ing support about 4 hours/week. This will free Kris up for work 4 hours/week in the area of grant applications and reporting while also providing another member with- in the ALTECO team that understands the ins and outs of our finances and sys- tems. The new bookkeeper will be paid up to \$25/hour on a contract basis.

- Development Coordinator: Kris Van Wormer will continue as the primary ALTECO bookkeeper while working on a trial basis 4 hours/week as the ALTECO Develop- ment Coordinator. Kris will work up to 4 hours/week in the area of grant ap- plications and reporting. 6 months into 2023 we will evaluate Kris' performance and the ongoing need for this role. Kris will continue be paid \$25/hour as a con- tractor.
